- b. Letter of Permission (LoP) dated 11-08-2026.**

Dear Sir/Madam

WHEREAS, Online Application No. **NMC/UGI/2026-2027/0102** was submitted to the Medical Assessment and Rating Board (MARB), National Medical Commission (NMC), seeking permission for the increase in intake of **100 MBBS Seats (150 to 250)** at **Maharishi Markandeshwar College of Medical Sciences & Research, Sadopur, Ambala, Haryana** for the Academic Year 2026-27.

2. WHEREAS, Section 28(2) of the National Medical Commission Act, 2019 mandates that every applicant shall submit a scheme to the Medical Assessment and Rating Board in such form and containing such particulars as may be prescribed under the relevant regulations. Further, the proviso to Regulation 9 of the Establishment of Medical Institutions, Assessment and Rating Regulations, 2023 provides that an incomplete application, including one not accompanied by the mandatory documents prescribed under the Regulations, is liable to be rejected.

3. WHEREAS, Section 29 of the National Medical Commission Act, 2019 read with Regulation 11 of the Establishment of Medical Institutions, Assessment and Rating Regulations, 2023, requires the Medical Assessment and Rating Board, while considering a scheme under Section 28, to assess, inter alia, the adequacy of financial resources, availability of academic faculty, hospital facilities, infrastructure, and such other prescribed criteria necessary for the proper functioning of the medical college;

4. WHEREAS, the Public Notice dated 22.12.2025 inviting applications for the Academic Year 2026-27 specifically stipulates that:

"The regulatory framework does not contemplate a 'work-in-progress' status at the time of application; rather, it obligates readiness and demonstrable compliance ab initio. Therefore, any plea of being in the process of completing infrastructure or requesting additional time defeats the very objective of the scheme under the Act and Regulations and is wholly impermissible."

5. WHEREAS, upon scrutiny of the application under Section 29 of the National Medical Commission Act, 2019, read with Regulations 11 and 12 of the Establishment of Medical Institutions, Assessment and Rating Regulations, 2023 and the Public Notice dated 22.12.2025, the following deficiencies were observed and communicated to the applicant through Show Cause Notice dated 05.06.2026:

S. No	Parameter	Deficiency

9. WHEREAS, after due consideration of the application, the assessment report, the recommendations of the Expert Committee, and the observations recorded above, the Medical Assessment and Rating Board (MARB), in exercise of the powers conferred under Section 28(3) of the National Medical Commission Act, 2019, **granted** permission for increase in intake of 50 (Fifty) MBBS seats (from 150 to 200 seats) at Maharishi Markandeshwar College of Medical Sciences & Research, Sadopur, Ambala (Haryana) for the Academic Year (A.Y.) 2026-27, a subject to the provisions of the National Medical Commission Act, 2019, the regulations framed thereunder, and the terms and conditions specified herein.

10. WHEREAS, the college has preferred appeal against the partial Letter of Permission of MARB.

11. WHEREAS, the First Appeal Committee, careful consideration of the entire material placed on record by the Appellant, including the AEBAS attendance data for the period from 01.04.2026 to 30.06.2026 and the HIMS/clinical data for the period from 01.07.2026 to 31.07.2026, observed that the Appellant has demonstrated compliance with the applicable requirements for enhancement of the annual MBBS intake from 200 to 250 seats. As per the UG-MSR, 2023, 168 faculty members are required for an annual intake of 250 MBBS seats and, upon examination of the AEBAS attendance data and faculty records, the Committee found that the College has adequate faculty strength of 181, to meet the said requirement. The Committee further considered the HIMS data for the period from 01.07.2026 to 31.07.2026, including the OPD, IPD, diagnostic and operative workload, and found the clinical load to be adequate. In view of the overall assessment of the faculty position, AEBAS attendance, clinical workload reflected in the HIMS data and other material available on record, the Committee is satisfied that the Appellant has fulfilled the applicable requirements for the remaining 50 MBBS seats. Accordingly, the Committee finds the Appellant fit for enhancement of the annual MBBS intake from 200 to 250 seats and grants the remaining 50 MBBS seats sought in the present appeal.

12. AND WHEREAS, the First Appeal Committee, **is granted an additional 50 (fifty) MBBS seats, thereby enhancing the annual intake of the College from 200 to 250 MBBS seats for the Academic Year 2026-27.**

10. AND THEREFORE, in pursuance of decision of the First Appeal Committee dated 31-08-2026 (which has already been communicated to you through email by Policy & Coordination Division of NMC) Medical Assessment and Rating Board (MARB) is hereby conveying you Letter of Permission (LoP) for **increase in intake of 50 (fifty) MBBS seats (from 200 to 250 seats) for the Academic Year (A.Y.) 2025-26 at Maharishi Markandeshwar College of Medical Sciences & Research, Sadopur, Ambala, Haryana subject to the following conditions.**

13. Terms and Conditions

The approval granted herein shall remain subject to strict compliance with the undertaking furnished by the Medical College and the provisions of the National Medical Commission Act, 2019, the Undergraduate Medical Education Standards Regulations, 2023 and other applicable statutory and regulatory requirements. In the event it is subsequently found that any statement made in the undertaking or any document furnished by the Medical College is false, misleading or incorrect, or that the medical college has failed to maintain the prescribed standards or comply with the applicable requirements, it shall be open to the Medical Assessment and Rating Board (MARB) to initiate appropriate action, including imposition of penalties or any other action permissible under Section 26 of the National Medical Commission Act, 2019, and the applicable regulations.

- i. The applicant and the institution shall be solely responsible for ensuring continued compliance with the provisions of the National Medical Commission Act, 2019, the regulations framed thereunder, and all directions, guidelines, advisories, and public notices issued by the National Medical Commission (NMC) from time to time. The institution shall maintain, throughout the academic year, the prescribed standards relating to physical infrastructure, hospital infrastructure, human resources, teaching faculty, clinical material, equipment, and all other statutory requirements.
- ii. If, at any stage, it is found that this Letter of Permission has been obtained on the basis of any false declaration, misrepresentation, suppression of material facts, or submission of fabricated or forged documents, or if such misconduct comes to the notice of the National Medical Commission during a physical or virtual assessment, surprise inspection, or otherwise, MARB shall be at liberty to withdraw, cancel, or revoke this Letter of Permission. In addition, the institution shall be liable for such action as may be permissible under the National Medical Commission Act, 2019, including denial or withdrawal of recognition of the medical qualification and any other action deemed appropriate under law.
- iii. The medical college and its attached teaching hospital shall comply with all applicable statutory requirements, including those relating to building safety, occupancy, fire safety, pollution control, environmental protection, biomedical waste management, radiation safety, and all other approvals, licences, and clearances required under the applicable laws.
- iv. Government Medical College shall contribute 15% of MBBS seats and 50% of Postgraduate Broad Speciality (MD/MS) seats to the All India Quota (AIQ)

for centralized counselling conducted by the Medical Counselling Committee (MCC), Directorate General of Health Services (DGHS), in accordance with the directions of Hon'ble Supreme Court and the applicable policy of the Government of India.

- v. The medical college shall develop and maintain an official website containing updated information regarding the institution, including:
- Courses offered and sanctioned intake;
 - Teaching faculty and their qualifications and experience;
 - Student admissions;
 - Affiliating university;
 - Hospital services and facilities;
 - Departmental infrastructure and equipment;
 - OPD and IPD statistics; and
 - Birth and death records maintained under the applicable laws.

VI The institution shall comply with the following additional conditions:

- a. MARB reserves the right to withdraw, cancel, or revoke this Letter of Permission if it is found that the permission has been obtained by fraud, misrepresentation, suppression of material facts, or submission of false or fabricated documents.
- b. MARB reserves the right to conduct physical and/or virtual assessments, including surprise inspections, at any stage and to take appropriate action based on the findings thereof.
- c. The institution shall strictly comply with all the conditions stipulated in this Letter of Permission. MARB shall have the right to call for any information or conduct such enquiry as may be necessary to verify compliance with these conditions in both letter and spirit.
- d. MARB may take appropriate regulatory action against the institution for failure to maintain the standards prescribed by the Undergraduate Medical Education Board (UGMEB) or the Postgraduate Medical Education Board (PGMEB), as the case may be, including issuance of warning, imposition of monetary penalty, reduction of intake capacity, stoppage of admissions, or recommendation to the Commission for withdrawal of recognition, in accordance with the National Medical Commission Act, 2019, and the regulations framed thereunder.
- e. The institution shall furnish all admission-related information within the timelines prescribed by the National Medical Commission from time to time. Failure to submit such information within the stipulated period shall be treated as non-compliance with the statutory requirements governing admissions and may invite appropriate action under the National Medical Commission Act, 2019.
- f. The medical college shall install, maintain, and ensure the continuous functioning of the Aadhaar Enabled Biometric Attendance System (AEBAS),

Closed-Circuit Television (CCTV) surveillance system, Hospital Management Information System (HMIS), and such other information technology systems as may be prescribed by the National Medical Commission from time to time. The data generated by these systems shall be made available to the National Medical Commission whenever required.

g. The institution shall rectify all deficiencies, if any, observed during future assessments within the period specified by MARB. Failure to do so may result in the refusal of renewal of permission or initiation of appropriate regulatory action, including withdrawal or revocation of this Letter of Permission, in accordance with the provisions of the National Medical Commission Act, 2019.

14. This Letter of Permission shall not be construed as a waiver of any statutory requirement or obligation under any applicable law. The institution shall obtain and maintain all approvals, licences, certificates, and permissions required under the applicable Central, State, and local laws throughout its operation.

15. The National Medical Commission (NMC) has received E-Bank Guarantee No **136BG01262310011 dated 19.08.2026 for Rs. 5 Cr.
